Re: *Mumtaz Khan v. U.S. Citizenship & Immigration Service, et al.,*  
No. 07 Civ. 6796 (LAP) (AJP)

Dear Judge Preska:

This Office represents the defendants in the above-referenced action, which seeks to compel various federal agencies to complete their adjudication of plaintiff's naturalization application. Under the prevailing schedule, our reply brief in further support of the Government's motion to dismiss this case for lack of subject matter jurisdiction is due on Friday. I am pleased to report, however, that as of yesterday morning plaintiff's application has cleared the FBI name check process and he is scheduled to be fingerprinted on May 5, 2008. That being so, the parties respectfully request that the briefing on the Government's motion be suspended for a period of 90 days, during which time we expect that the Citizenship and Immigration Service will have definitively acted on the application (i.e., plaintiff will either have been sworn in as a citizen, or his application will have been finally denied), mooting this case. We will of course let the Court know promptly when that happens.

Thank you for your consideration of this request.

*The motion is marked off the calendar, subject to reinstatement by letter following the expiration of 90 days.* By:

Respectfully,

MICHAEL J. GARCIA  
United States Attorney
